1. **Identify Minute Taker –** Peter Zehler

2. **PWG Process**
   Attendees were informed that the meeting is held in accord with the PWG Intellectual Property Policy. There was no objection.

3. **Approval of Minutes**
   The last meeting minutes: <ftp://ftp.pwg.org/pub/pwg/mfd/minutes/pwg-mfd-minutes-20110901.pdf> was accepted.

4. **Agenda bashing**
   No objection to the agenda.

5. **Review MFD System Object and System Control Service Semantics**
   <ftp://ftp.pwg.org/pub/pwg/mfd/wd/wd-mfdsystemcontrolservicemodel10-20110912.pdf>
   1) Line 254 & other placesChange "missing" to "System Description Specific" or something similar
   2) Resources schema removed & moved to obsolete. ResourceService remains.
   3) Add usual stuff on workflow, boilerplate, naming conventions etc. to Design Requirements
   4) Fix case of JTAPI
   5) Include explanation that JTAPI specification was considered when deciding on the required Print Job Ticket elements

6. **Next Steps**
   - **Update & publish MFD System Object and System Control Service Semantics**
   - **Next meeting is October Face to Face**
