Upon completion of the Membership Agreement, by signing below and participating in the Printer Working Group's activities, the applicant (and additional company contacts) signifies acknowledgement and acceptance of the PWG Definition of the Standards Process, the PWG Policy on Intellectual Property and Confidentiality, the Participant Program Agreement executed between the PWG and the IEEE-ISTO, and the IEEE-ISTO Bylaws, as from time to time in force, and such rules and policies as the PWG and the IEEE-ISTO may from time to time adopt and incorporate into said documents. Membership in the Printer Working Group is contingent upon continued adherence to the then-current version of the above referenced documents.

Each member shall provide the IEEE-ISTO with a web-ready logo, proper use and notice requirements, and company URL. The PWG, a program of the IEEE-ISTO, shall be authorized to utilize the logo to highlight support in marketing materials, trade show representation, publications and the PWG web site.
