[IANA #1289758] AutoReply: Request for Assignment

1 message

IANA General Enquiries via RT <iana-questions@iana.org>

Fri, Nov 24, 2023 at 10:18 AM

Reply-To: iana-questions@iana.org

To: bluroofmusic@gmail.com

To whom it may concern:

This is an automatically generated message to notify you that we have received your request, and it has been recorded in our ticketing system with a reference number of 1289758.

There is no need to reply to this message right now. IANA staff will review your message and reply to your inquiry within three (3) business days.

If this message is in reply to a previously submitted ticket, it is possible that the previous ticket has been marked as closed. As we review this ticket, we will also review previous correspondence and take appropriate action.

To expedite processing, and ensure our staff can view the full history of this request, please make sure you include the following exact text in the subject line of all future correspondence on this issue:

[IANA #1289758]

You can also simply reply to this message, as this tag is already in the subject line.

Thank you,

Type of Assignment:
Permanent registration updates in IPP Registry
Copy of revised IANA XML registry is at:

<https://ftp.pwg.org/pub/pwg/ipp/IANA-IPP-registrations/>
in the file iana-ipp-registrations-20231124.xml

Changes:

- New HP printer-state-reasons keywords
- Fixed some typos with the date-time-at-creation status attributes (some said "created", some had "| unknown" on the end of the name)

Registry:

IANA IPP Registry

<https://www.iana.org/assignments/ipp-registrations/ipp-registrations.xml>

Description:

Proposed: Mike Sweet (Lakeside Robotics)

Reviewed: By IETF Designated Experts for IPP Registry

Approved: 24 November 2023

By: Ira McDonald (IETF Designated Expert for IPP Registry)

Additional Info:

Maintenance updates in IANA IPP Registry
