To whom it may concern:

This is an automatically generated message to notify you that we have received your request, and it has been recorded in our ticketing system with a reference number of 480842.

There is no need to reply to this message right now. IANA staff will review your message shortly.

If this message is in reply to a previously submitted ticket, it is possible that the previous ticket has been marked as closed. As we review this ticket, we will also review previous correspondence and take appropriate action.

To expedite processing, and ensure our staff can view the full history of this request, please make sure you include the follow exact text in the subject line of all future correspondence on this issue:

    [IANA #480842]

You can also simply reply to this message, as this tag is already in the subject line.

Thank you,

Type of Assignment:
Permanent registration error corrections in IANA IPP Registry:
(1) DELETE "media-material" (no such attribute)
(2) CHANGE "media-sol" to "media-col" (spelling error)

Registry:
IANA IPP Registry
http://www.iana.org/assignments/ipp-registrations/ipp-registrations.xml

Description:

Proposed: Ira McDonald (High North) and Mike Sweet (Apple)
Reviewed: PWG Meeting during IPP WG session 4 August 2011
Approved: 12 August 2011
By: Ira McDonald (IETF Designated Expert for IPP Registry)

Background:
(1) When PWG 5100.5 was recently added to the IANA IPP
Registry, Mike and I missed this error:
PWG 5100.5 registered "media-material" as a "media-col"
member attribute, but PWG 5100.5 did NOT define it.
-> Please DELETE the line for "media-material"

(2) When PWG 5100.5 was added, Mike and I missed this spelling error in Document Attributes for all the members
of "media-col"
-> Please change "media-sol" to "media-col"

Additional Info:
-> erroneous IANA registration of "media-material"
-> erroneous spelling of "media-col" as "media-sol"
